543 seats-524 members representing people of 28 states and 19 members representing people of 8 Union territories on the basis of their population.

2,163 candidates running on a national or state-based party ticket, while 2,445 and 3,440 candidates are running on a local party ticket and as independents.

The Lokh Sabha, constitutionally the House of the people,is the lower house of India's bicameral Parliament.

According to the Election commission data, a total of 8,040 candidates were contesting in this Lokh Sabha election 2019.

Out of which 6,819 (85%) are contesting for the first time; 8% of all candidates are running for a second time, 3.2% for the third time, 1.5% for the fourth time and 2.2% beyond four.

the candidates should be a citizen of india and the age shouldn't be less than 25

members of the lok sabha are directly elected by the people of India based on universal suffrage .

lokh sabha election is one of the important election in India.

543 constituencies in India and 543 members are elected in election.

The election has the highest ever number of women politicians with a total of 78 which is nearly 14% the average age of 17th lok sabha is noted to be 54 years and 12% of Mps are below the age of 40.

The main contendess were two alliance groups of the incumbent National Democratic Alliance and the opposition united progressive

I think we have a better India in future by getting more youngsters as a politician.

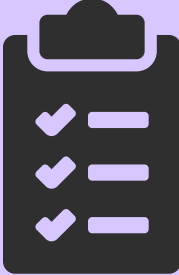

We have 85% of candidates as first timers in 17th Lokh sabha and 3440 candidates are independents.

The 17th lokh sabha result declared on 23 may 2019. BJP led NDA (National Democratic Alliance)had won the election with 333 seats. The alliance had 45% of total votes polled.

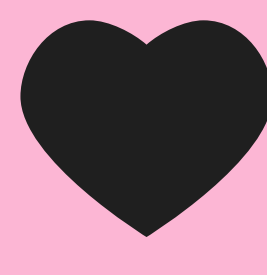

2019 Lokh sabha election held in India in seven phases from 11 April 19 May 2019 to elect the members

We have the better constituency by selecting the best candidate with our votes.

We got lot of women politicians. Which is increasing gradually year by year. The number of women candidates has raised in those years.
